

TERMS AND CONDITIONS FOR USE OF EPI'S ALPHA-STIM APP

By downloading or using the Alpha-Stim App (the "App"), these terms will automatically apply to you – you should make sure therefore that you read them carefully before using the App. We are offering you this App to use for your own personal use without cost, but you should be aware that you cannot send it on to anyone else, and you're not allowed to copy, or modify the App, any part of the App, or our trademarks in any way. You're not allowed to attempt to extract the source code of the App, and you also shouldn't try to translate the App into other languages, or make derivative versions. The App itself, and all the trade marks, copyright, database rights and other intellectual property rights related to it, belong to Electromedical Products International, Inc. ("EPI").

At the bottom of these terms and conditions you will be able to find our Privacy Policy, Acceptable Use of the App, and the general Terms and Conditions.

EPI is committed to ensuring that the App is as useful and efficient as possible. For that reason, we reserve the right to make changes to the App or to charge for its services, at any time and for any reason. We will never charge you for the App or its services without making it very clear to you exactly what you're paying for.

The EPI App stores and processes personal data that you have provided to us so that you can track your usage of EPI's products. It's your responsibility to keep your phone and access to the App secure. We therefore recommend that you do not jailbreak or root your phone, which is the process of removing software restrictions and limitations imposed by the official operating system of your device. It could make your phone vulnerable to malware/viruses/malicious programs, compromise your phone's security features and it could mean that the EPI App won't work properly or at all.

You should be aware that there are certain things that EPI will not take responsibility for. Certain functions of the App, such as the ability to download and store your information and update user averages will all require the App to have an active internet connection. The connection can be Wi-Fi, or provided by your mobile network provider, but EPI will not take responsibility for the App not working at full functionality if you don't have access to Wi-Fi, and you don't have any of your data allowance left.

If you're using the App outside of an area with Wi-Fi, you should remember that your terms of agreement with your mobile network provider will still apply. As a result, you may be charged by your mobile provider for the cost of data for the duration of the connection while accessing the App, or other third party charges. In using the App, you're accepting responsibility for any such charges, including roaming data charges if you use the App outside of your home territory (*i.e.*, region or country) without turning off data roaming. If you are not the bill payer for the device on which you're using the App, please be aware that we assume that you have received permission from the bill payer for using the App.

Lastly, with respect to EPI's responsibility for your use of the App, when you're using the mobile host function of the App, it's important to bear in mind that although we endeavor to ensure that it is updated and correct at all times, we do rely on third parties to provide information to us so that we can make it available to you. EPI accepts no liability for any loss, direct or indirect, you experience as a result of relying wholly on this functionality of the App.

At some point we may wish to update the App. The App is currently available on Android and iOS – the requirements for both systems (and for any additional systems we decide to extend the availability of the App to) may change, and you'll need to download the updates if you want to keep using the App. EPI does not promise that it will always update the App so that it is relevant to you and/or works with the iOS/Android version that you have installed on your device. However, you agree to always accept updates to the application when offered to you. We may also wish to stop providing the App, and may terminate use of it at any time without giving notice of termination to you. Unless we tell you otherwise, upon any termination the rights and licenses granted to you in these terms will end.

TERMS OF USE AGREEMENT

THIS AGREEMENT CONTAINS WARRANTY DISCLAIMERS AND OTHER PROVISIONS THAT LIMIT EPI'S LIABILITY TO YOU. PLEASE READ THESE TERMS AND CONDITIONS CAREFULLY AND IN THEIR ENTIRETY, AS USING, ACCESSING AND/OR BROWSING THE APP CONSTITUTES ACCEPTANCE OF THESE TERMS AND CONDITIONS. IF YOU DO NOT AGREE TO BE BOUND TO EACH AND EVERY TERM AND CONDITION SET FORTH HEREIN, PLEASE EXIT THE APP IMMEDIATELY AND DO NOT USE, ACCESS AND/OR BROWSE THE APP.

BY ENTERING THE APP, YOU ACKNOWLEDGE AND AGREE THAT YOU HAVE READ AND UNDERSTAND THESE TERMS AND CONDITIONS, THAT THE PROVISIONS, DISCLOSURES AND DISCLAIMERS SET FORTH HEREIN ARE FAIR AND REASONABLE, AND THAT YOUR AGREEMENT TO FOLLOW AND BE BOUND BY THESE TERMS AND CONDITIONS IS VOLUNTARY AND IS NOT THE RESULT OF FRAUD, DURESS OR UNDUE INFLUENCE EXERCISED UPON YOU BY ANY PERSON OR ENTITY. EPI RESERVES THE RIGHT TO TERMINATE YOUR USE OF THE APP FOR ANY VIOLATION OF THIS AGREEMENT.

Without limiting the generality of the foregoing, EPI makes no representations or warranties with respect to any Information offered or provided within or through the App regarding treatment of medical conditions, action, or application of medication.

Under no circumstances, as a result of your use of the App, will EPI be liable to you or to any other person for any direct, indirect, special, incidental, exemplary, consequential or other damages under any legal theory, including, without limitation, tort, contract, strict liability or otherwise, even if advised of the possibility of such damages.
